

Greetings fellow FCAA members!

Once again its time of our FCAA Members show and also a good time for you to volunteer and support our organization. I'm the Chair again for this year's members show and want to share a couple things with you about the show. The Delaplaine has asked each person to give \$5.00 dollars in support of them for supplying the refreshments for the show. This was done in years past and they do a great job in providing and serving food items during the artists reception. This will be on top of the your yearly dues (\$30.00) that will be collected at the time your art work is dropped off. Also keep in mind that your art work must come ready to hang with "screw eye" or "D-rings" and hanging wire. **PLEASE NO SAW TOOTH HANGERS OR FRAMES WITH TABLE STAND ATTACHED TO THE BACK, ELSE THEY WILL NOT BE ACCEPTED FOR HANGING.** This is a requirement by the Delaplaine so we must enforce it. Sorry!

Drop-off of art work is Thursday, December 18th, 10:00 Am - 2:00 Pm and Saturday December 20th, 10:00 Am - 2:00 Pm.

Pick-up of art work is Sunday, January 25th, 10:00 am - 2:00 Pm and Monday January 26th, 10:00 Am - 2:00 Pm.

Each member may exhibit one piece of artwork in the exhibit. However, if a members has volunteered in some way for FCAA in 2014, that member may exhibit two pieces of art. Volunteering would include: serving on the board, providing refreshments at a meeting, hosting the picnic, serving on any committee, attending 2 or more meetings and etc.. I still have some slots that will be open for volunteers that will allow you to qualify to submit two pieces of art. Let me know ASAP what slots are good for you..
